# April Is National Car Care Month

Due to the shortage of new cars and the HUGE increases in used cars it is more important than ever for you to keep your vehicle properly maintained to keep it safely and reliably on the road.

It's always LESS EXPENSIVE to perform preventative maintenance than to repair a break down.

A survey of certified technicians found that the **most neglected maintenance** items are cooling systems, transmissions, brakes, power steering fluid service and oil changes.

PLUS...

Regular Maintenance on your car SAVES you money and gives you peace of mind!

## The National Car Care Month Ultimate Maintenance Package
